Springfield  
Civic Association  
Where we all come together

President's Message—Bruce Waggoner

To All Greetings:

May 16th marks the end of another Springfield Civic Association (SCA) season, now over 64 years in operation advocating for a better Springfield. The SCA Board is proud to extend the tradition begun in February of 1953 (source: Robyn Carter; Crestwood Historian). In keeping that faith we will host the Principals of Crestwood and Lynbrook Elementary Schools at our May meeting. Mr. Tim Kasik and Mr. Jay Nocco will update membership on progress over last year's assessment. In addition, Lee High School Principal Deirdre Lavery is also expected to attend and brief the Body on Lancer progress. Our schools are fundamental to the vitality, spirit, and home values of any community; come out and engage with Fairfax County Public School Educators.

In support of our schools the SCA will celebrate Grand Involve's 2017 Governor's Community Organization Award presented to the organization on 20 April at the Executive Mansion in Richmond. We will learn about their accomplishments and plans for the future. Our community's business support via purchase of ads in SCA's newsletter has enabled us to help sponsor GrandInvolve's development, and we're proud and grateful they've chosen SCA as a means of supporting our community. Please remember to patronize them and thank them for it.

Also, the SCA's 2017-18 Board of Directors will be elected on the 16th. We'll be asking for nominees for each position, especially

that of Secretary as Debbie Mays would like to step down. Please consider stepping up to help keep SCA functioning full-force.

I'm happy to report the hearsay that LIDL has purchased the property at the corner of Commerce and Brandon (formerly Saford Dodge). It's not official yet, but we hope to read the news very soon. LIDL is a high-end? German-owned grocer in direct competition with ALDI. I find this very encouraging, although some would say we have enough grocery stores. My view is that new competitors investing here reflect confidence in the future of Springfield. Supervisor McKay has seen the plans and told membership in March that the design is impressive. If their plans go through, its construction will replace a current community eyesore and likely spur additional positive interest and investment in central Springfield. As for the FBI, my energy waiting for the GSA's decision is spent. If Springfield is chosen for the FBI's relocation, good for us, but it's not the only way forward. LIDL's interest is proof of that.

On behalf of the SCA Board, I wish you all a beautiful spring season and a glorious summer time.

Sincerely,  
Bruce Waggoner  
President, SCA

Reminder for Dues

The SCA would like to remind its members that dues for the 2017-2018 year were due in September. You can still pay your dues either by cash or check at our next meeting on May 16th, or you can pay your dues at anytime via our [website](#). Dues are \$15 per household.

While many activities hosted by the SCA are open to the public, the dues paying members receive full access and benefits with membership. The funds raised from dues go directly to helping support the SCA and its members.

## SCA Board Elections

Have you ever thought about running for office? Are you interested in getting more involved with your community?

The Springfield Civic Association is holding elections for officers at our May membership meeting and now is the time to let us know if you're interested in running for the offices of President, 1st Vice President, 2nd Vice President, Treasurer, Secretary, or Member at Large.

**Why Run:** Serving on the SCA board is an exciting opportunity to really get involved with your community. Board members are able to help shape and move the direction of our local community, conduct community event planning, help support other community organizations succeed in their missions, advocate with local government on behalf of our residents, and to help in bringing our community together.

**What to expect:** Responsibilities and time requirements for board members can vary by the position. In the least, board members can expect monthly board meetings (typically 2 hour meetings) and assisting with scheduled SCA meetings. Additional responsibilities can vary in time requirements. For the most part, schedules are flexible. Elected board members are expected to hold their position for 1 year, at which time they can step aside, take on another position, or be re-elected—whichever their choosing.

Contact the SCA at [springfieldcivic@yahoo.com](mailto:springfieldcivic@yahoo.com) if you're interested in becoming a board member no later than May 12th.

(Candidates must live within the boundaries of the Springfield Civic Association. There is no tenure requirement to run for the board.)

## *Summer Safety Tip*

The weather is warming up and spring is in full bloom. With the nice weather residents are likely to be outside enjoying recreational activities. Wires and cables protruding from a utility pole pose hazards for children and can make yard maintenance difficult.

As you are out and about, if you notice electrical wiring that looks loose, frayed, or disconnected from an utility pole please report it to Fairfax County CPRD at (703) 324-5902 or [wwwcprd@fairfaxcounty.gov](mailto:wwwcprd@fairfaxcounty.gov).

When reporting, please provide nearest house address to pole and a description of problem.

## *GrandInvolve Wins Governor's Award*

Members of GrandInvolve were surprised at a ceremony at the Executive Mansion in Richmond, VA on Thursday, April 20 when they were presented with the award. GrandInvolve is a volunteer group that brings older adults into Fairfax County Title I Elementary Schools to assist in classrooms, and is one of Fairfax County's 50+ Initiatives. GrandInvolve is honored to receive this prestigious and competitive award. The Governor's Volunteerism and Community Service Awards are presented by the Governor's Advisory Board on Service and Volunteerism and VDSS' Office on Volunteerism and Community Service on behalf of the Office of the Governor. These awards have recognized exceptional volunteer service in Virginia for more than 20 years.

GrandInvolve volunteers offer their skills and talents to work directly with students. Their presence in the schools serves to connect the community and local schools, creating lasting and meaningful relationships between generations and cultures, and allowing people of all ages to share their talents and resources while supporting each other in relationships that benefit both the individual and the community. Gail Harris, Director, Office on Volunteerism and Community Services, Virginia Department of Social Services, had the following remarks after the award presentation.

"GrandInvolve is an outstanding example of a two-generation approach that is yielding measurable results. By sharing their time and experiences, the 100 seniors who volunteer in the program are making a huge impact on the children of Fairfax County both socially and academically. The senior citizens, in turn, get the joy of seeing a future generation build skills and relationships that will help them for years to come. Congratulations to GrandInvolve on your well-deserved recognition."

A partnership with Greenspring Village, a senior housing community in Springfield VA, brings many volunteers to the program. Kathryn Knoble, the Volunteer Coordinator at Greenspring Village, explained, "the partnership with Grand Involve not only has provided an opportunity for our residents to volunteer at a local elementary school, Crestwood Elementary, but also provides our residents with many other community connections that have become a great benefit to them and to Greenspring. The residents from Greenspring who participate in this volunteer project, absolutely love the children and this weekly interaction with Crestwood students has become a highlight of their week." The GrandInvolve Program facilitates intergenerational and intercultural activities, strengthening the bonds of the oldest and youngest community members, and supporting the education of our most vulnerable populations.

## ECHO News and Events

Help your local letter carrier **Stamp Out Hunger Saturday, May 13** by filling a bag within non-perishable food or personal care items (in unbreakable containers) and placing it by your mailbox for letter carriers in Burke and Springfield to deliver to ECHO. This is the 25th year local letter carriers will be collecting food for families in need! This food drive helps ECHO keep our shelves full during the summer months when need persists but donations usually drop.

Currently, **ECHO's greatest needs** are for 2# bags of rice or dried beans, boxed pasta, 6 oz. tomato paste, 8 oz. tomato sauce, shaving cream, deodorant, plastic bandages, toilet tissue as well as over-the-counter cold and pain medicines. ECHO's Housewares Department is always trying to fill requests for large pots and pans, and queen sized bedding, but there is now also a need for toasters and irons that are in good working order. The Clothing Department is hoping for donations of size 6 diapers and children's sneakers in larger sizes (13 -6).

Just as everyone is getting ready for the end of the school year, ECHO is getting ready for **Back-to-School!** In June, ECHO volunteers begin packing new backpacks with school supplies so that the distribution to families with children in grades K-12 can begin in August. See the complete list of needs on ECHO's website: [www.echo-inc.org](http://www.echo-inc.org) under the tab, "Donate", or click the link below. We especially need new backpacks, 1-1/2" and 2" binders, spiral notebooks, markers, crayons (24/box) #2 pencils, ball point pens, and 4 oz school glue. ECHO, 7205 Old Keene Mill Road, is open to receive donations on weekdays from 9:30 am to 12:30 pm, and Tuesday, Wednesday and Thursday evenings from 7:00 to 9:00.

### Congregational Food Drives:

- May - Sydenstricker United Methodist
- June - St. Mark's Lutheran and Westwood Baptist

### Upcoming Dates to Note:

- May 6 - Saturday opening
- May 13 - Letter Carriers Food Drive (put a bag of non-perishable food by your mailbox)
- May 15 - Board of Directors meet, First Baptist Church, Springfield, 7:30
- May 29 - Closed for Memorial Day
- June 3 - Saturday opening

### *Crestwood Stitchery Club*

The Crestwood Stitchery Club finished its 7-week Spring session just before spring break. Between 40-50 students came to the cafeteria each Wednesday after school to learn and practice new knitting stitches.

The students were in four different groups based on ability and experience and they worked on projects ranging from wrist bands to stuffed owls to scarves.

One week we were treated to a demonstration of spinning raw wool on a spinning wheel into yarn by Sharon Hanger and Michele Duell from the Crestwood neighborhood.

We also had a visit at our last meeting from the Key Middle School after-school knitting club sponsor, Megan McKnight, who encouraged the 6<sup>th</sup> graders to continue knitting in middle school!

We are deeply grateful to our volunteer knitting instructors, Hetty Azimi, Marcy Stennes, and Barbara Neel.

We'll meet again next fall, but we have two before-school meetings for anyone to get help with their projects on Friday, May 5<sup>th</sup> and Friday, June 2<sup>nd</sup>. Keep knitting!
